

To The Volunteer Team:

Reflecting on the 2017 season and our commitment to improve the overall experience for our Red Bull GRC fans, we saw five new venues on the schedule, an increase in our passionate and loyal fan base, marquee partnerships with iRacing and Total Quartz to name a few and action packed racing that produced one of the most exciting season finales at one of our premier venues, the Port of Los Angeles. In addition we were proud to announce our partnership with Rush Order Tees, the provider of t-shirts and hats for our 2017 Volunteer Program.

On behalf of the entire Red Bull Global Rallycross staff, I would like to extend a sincere thank you to all those who assisted throughout the season. The Volunteer Team was an integral part of our success this year. Your dedication, devotion, hard work, ability to handle adversity and most importantly your level of passion, solidifies why Red Bull Global Rallycross is the most exciting and fastest growing form of motorsport in the world. We saw many return to the team from the 2016 season and an amazing number of new faces join our group this year, a testament to our growing Volunteer Program.

Thomas N. (Indianapolis): “I just wanted to let you know how grateful I am to have received such an awesome opportunity to help out last week. So again, thanks for the opportunity and I hope to be able to help out once more in the future!”

Jean L. (Ottawa): “This was a great weekend and I want to thank you again for including me on the roster.”

Alan B. (Ottawa): “Totally amazing time and what a super group of people to work alongside. Really hope to see you all return next year! Thank you so much for a great time!”

A special thank you to Sara Lyon and Charles Siragusa who were part of the team for several of our events thru out the season. Their hard work and dedication was well recognized throughout the GRC team.

We are extremely excited for the 2018 season as we look to build on the success and momentum of this season. We hope that you can be part of the team next season. For those that were unable to help out this year, we look forward to seeing you at the track next year. It truly is a unique opportunity to get an up close and behind the scenes look at the fastest growing racing series in the world and we would love to have you be part of the team.

Volunteers are the backbone of the Red Bull GRC events- Help us grow our Volunteer team by asking a friend to join.
